- **Students distinguish themselves each year on the National Language Exams. All of the 59 students who took the 2009 Exams in French and Latin were in the top 10 percent state-wide, and 25 earned national recognition. One MacDuffie French IV student was the only person in the United States, of the 11,000 students who took the 2009 level IV exam, to win first prize on the National French Exam.**
- **In 2008, 49 students took a total of 80 AP exams; 75 scores (95%) were 3 or above (and thus college-credit-worthy) and 57 (72%) were 4 or 5. Fourteen students were named AP Scholars for having scores of 3 or higher on three or more exams.**
