What if...

your child could go to a school where:

College is the goal for all students.

The average class size is 11 students.

Faculty are enthusiastic and dedicated professionals in their fields.

Writing is emphasized and taught across all disciplines.

Students learn to be productive citizens of their community and of the world.

Students are respected for their individuality, diversity, and ability by teachers and peers.

The student/faculty ratio is 7 to 1.

Field study at universities, hospitals, shelters, theaters, science laboratories, museums, and businesses expand learning beyond the walls of the classroom.

What if...
your child could go to
MacDuffie?

Invest in your child's future at
